YOU?
IS THIS
SOME
KIND OF
JOKE?!

YOU'RE
THE ONE I
HEAR AKI'S
TAKEN AS HIS
SLAVE?

...THAT'S
FINE TO
ME.

YOU'RE
GAY,
AREN'T
YOU? I
KNEW
IT!!

AND WHAT
IS WITH
THAT EAGER
CURiosity?

AKI!!

AKI'S
ONE-WORD
ANSWERS...

then he's
gay. That's
all there's no
other possible
explanation!

If there's
a man alive
who I, of all
people, can't
seduce,

Can't you
at least
look at the
world?

None can
resist the
irresistible
SUCCUBUS,

**EYE-
SAMA**

!!

~~~~~

~~~~~

~~~~~

The  
main  
point.

should  
always dress  
in accordance  
with what  
presses their  
members.

is that  
always.  
For what  
they're  
worth.

OH, DUH.  
IT'S JUST  
THE DRESS  
CLUB!

Ex: Tsubaki in Succubus

Of course I do that.  
Inevitably it  
isn't a wonder  
for the boys  
young.

We're in a  
place called  
a "school."

Do you  
know  
what it  
is?

Ew.  
Ew.  
Ew!

IT  
COMPLETELY  
LACKS OF  
APPEALING  
PLANT!

... Dude,  
what... your  
blanche's  
pretty  
wired...

It wouldn't  
exactly be  
appropriate  
to do it  
here.

in a  
place  
like  
this

Actually, I'm  
sure it doesn't  
look like it, but I'm  
still quite actively  
searching for the  
other colleges  
during my stay.

Along  
with my  
**CLUB...**  
and  
soforth.

Akt.

Is it  
likely to  
be making  
your team  
playing around  
in this sort  
of place,

THEY'LL BE  
HOLDING THE  
"SOTREE."

THIS  
WEEK-  
END

Well, just  
around while  
you still have  
the chance.  
After all,  
it's a luxury  
you won't be  
afforded  
much longer.

You're to  
be the guest  
of honor. I'm  
sure you know  
what that  
means, Sai.

From what I  
hear, it seems  
they went out  
of their way to  
schedule it to  
be held here,  
in this city  
specifically.

Major  
they're caught  
on to the fact  
that you went  
out and were  
yourself a  
dancer?

Saiene  
?

**YOU  
WILL  
BE MY  
ESCORT.**

THAT  
EVENING

She was so  
breast-thighy  
beautiful,  
though...

Uh, chick?  
Succubus?

Well,  
check...

She ran into  
the private  
Poli-bus, and  
disappeared  
as 'Freaky'  
Peet.

Regardless  
of my opinion,  
I don't have  
the right to  
burn them  
down in a  
situation  
like this.

It's  
out of my  
hands.

... She  
got  
it?

You're not  
seriously  
going to go  
back "sisters"  
being...

Don't feel  
bad about  
be breaking  
even-son is little  
different  
than he does  
anyone else...

Why are  
you such  
a doormat  
when it  
comes to  
her?

There'd  
your usual  
"sorry you,  
I'll do what  
I want"  
attitude run  
off to?

Yeah,  
Kenta-  
shi.

Alright,  
do what  
about  
Kenta,  
then?

Ever  
hear of  
the song,  
"Loving  
First?"

The  
server  
called me  
first so-  
I don't  
know...

Wanted  
the point  
is...

Calling her a  
**REMARKABLE**,  
**FLY** existed,  
and all that  
crap.

Too much's  
done let's  
check what  
name  
like that without  
stepping her

What?

WITH  
GIRLS,

Oh...

Oh,  
was that  
to cheer  
me up?

IT'S  
WHAT'S ON  
THE INSIDE  
THAT  
MATTERS.

Don't  
forget.

You're  
one **AKA**  
of a girl,  
Kana.

Don't ever  
let anybody  
make you think  
otherwise.

AKA

"I don't  
know about the  
Koban  
action  
either."

"Since they  
were arranged  
somewhere  
down the road,  
I guess."

"I can't  
believe  
you have a  
dancer, Ma.  
What a total  
shock!"

"You really  
look good  
together!"

"And when  
I saw him  
standing  
next to her,  
something  
didn't seem  
so far  
away."

Koban.

"Huh?  
That's  
strange.  
The words  
weren't  
out of my  
mouth."

I'll leave  
and run  
home...

That's right,  
there.

Oh, and  
a minute!

We don't  
bring new  
brand-name  
clothes out  
here... they're  
only for  
matters!

Yes...

and take  
right here  
about you  
apparently  
for me?

Um,  
oh...

I'll be  
in the  
dressing  
room.

A... Ah, I  
said wait...  
hold on!

THAT'S  
HE GOES  
WITH THE  
LYNCHING!

Of course  
I'll be more  
than happy  
to help.

SAY  
WHA-

!!?

Wh...  
What are  
you in here  
with me?

...But I  
could just  
take them  
off for  
you.

Take  
off your  
clothes.

!?

Is...  
That's  
just  
panties.

Let me  
see what  
you look like  
when you get  
overdressed  
on the day-  
dressing.

What?  
Is this  
seriously  
some  
kind of  
outfit?

Yeah,  
you're so  
panty...

You're not  
supposed to  
wear this kind  
of thing out-  
side, are you?  
It looks more  
like underwear  
to me...

Hey,  
this...

*Thinking  
about it that  
way makes me  
feel even more  
embarrassed...*

You're  
right.  
That isn't  
working.

I don't want anyone seeing you like this but me.

Let's go, Kana.

Wait! But the cat...

He  
jumped  
!!!

It's a vampire.  
Vampires are strange.

Ah... What's gotten into you? You're acting kind of strange.

Look.

I mean...  
you're holding me  
too tight.

Ah...  
That's  
enough.

Now this  
suits you far  
better than  
any jewelry.

He is so  
close here  
to me I can  
see his nose  
but I can't  
touch it

NOW  
LET ME  
HAVE  
BLOOD....

...

...I'm  
gonna  
Fail.

You  
couldn't  
accept?

You  
couldn't  
accept?

discovering  
my body for  
the same,

find

missing  
the same,

Your  
won't  
Forgive...

Am  
the

*Driving me  
to the point  
where I can't  
even think  
straight.*

*How  
could  
I think  
about  
you*

*Don't  
let me  
Fall...*

*Vampire.*

How DAME  
he makes that  
"How do you  
like this now"  
look at me!

Of all  
the-!

What is  
with that  
slave?

...and  
this  
slave?

*She's not  
a thing  
like she  
was during  
the day...*

You **WILL**  
answer for  
what you've  
done to Eve  
Bubaki'n.

You'll  
pay for  
this,  
Aki...

Oh...

Begging  
to have  
a taste of  
my love  
for you.

When I'm  
through  
with you,  
you'll be  
on your  
knees...

Oh, just  
you wait  
until the  
Solres...

THE COMPANY  
TICKS ON THE  
METER  
AND STAYS  
STILL

I can  
hardly  
wait...

Oh,  
yes.
